The Russell Family

Missionaries to Mexico

April-June 2015

You can be partners with us in our ministry to the Mexican people- right from the comfort of your own home! We need your prayers and support to get us to Mexico quickly and safely. While money will help us financially, we can not accomplish what God has in store for us without faithful prayers from the saints at home. Would you consider making a commitment to pray for us daily?

Whats new with the Russell's?

We started deputation in the middle of May! We are so excited to start on this new journey that the Lord has set before us. So far, we are booked solid every Sunday from now through December in the Pacific Northwest. After the first of the year we will be heading to northern California and will start working our way south. It has been great to watch the Lord work in our lives and in the ministry which he has called us to. Although, as we all know when a family dedicates their life to the Lord the devil loves to pounce on them and try to smother any fire they may have for the Lord; this is the same for all missionaries starting on deputation. Not that we are weak in our faith, but please pray for our family in health, safety in traveling, and for all the local churches we will be in that we can be a blessing to them. Once again we want to thank everyone for all the prayers, love, encouragement, and support we have received.

Also, as an encouragement to all, stay in the book and have a healthy prayer life; without the Lord we can accomplish nothing spiritual on our own.
