Your missionaries to ¡México!

Dear Brothers and Sisters in Christ,

Pro 29:18 “Where there is no vision, the people perish...” I am thankful to the Lord for the great vision He has given me for the work here in Mexico. It hasn’t changed since He’s given it to me all those years ago, instead it has actually strengthened since we started here in 2017.

We really appreciate your faithful prayers in regards to finding property to establish the church for many years to come. We are not acting on a whim, but have been diligently praying, fasting, saving, searching, and waiting on the Lord for what He wants done in His timing. In effort to confirm the Lord’s will for our little church, we have researched the different types of properties and prices. Come to find out, property is very expensive here! As we kept looking and praying, the Lord has led us to a 2.5 acre lot just 5 minutes outside of town with a small house on it.

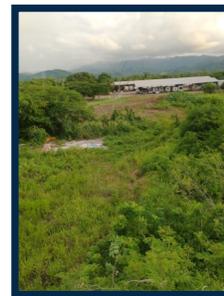

I originally didn’t want to look in this area, but the Lord has opened my eyes to the fact that this is the area where all of the housing growth is already starting. Within 5 years there will be a huge population around this big lot with lots of opportunity. This property would give ample room for the future growth of the ministry the Lord has laid on our hearts. This vision God has given us is BIG and will take time to get it accomplished, but God has made it clear to us and He is a God of preparation. Right now the first steps are buying property, and constructing a church building. If the Lord tarries, He has laid it on our hearts to start a Christian school in the future, as well as a bible institute to train men and women here, and then helping them start other works all throughout Mexico and wherever else God would lead. We would love to build dorms on site for church mission’s trips, so they have a safe place to stay while getting a heart for world missions; and a prophet’s chamber as well for visiting pastors & missionaries.

Instead of getting a small lot in town, with less than a tenth of an acre, for \$100,000 or more, this property is 2.5 acres for only \$150,000! We have been saving up personally along with the church members, and together we have a little over \$50,000 to put toward the property. We are excitedly waiting for the Lord to provide enough for the property and a little extra to start building the church. Due to our new permanent residency status, we can now own property in our name as well! We are really excited, we hope that you are as well, to move forward and continue to see God work and move here in Mexico.

Thank you very much for being yoked together with us in the work. We ask that you diligently continue to pray God would have his way and we would follow him. I have received emails from people wanting to give towards property, but I haven’t previously accepted anything because I didn’t have specific direction from the Lord at the time. Now, we believe to have found exactly where God would establish the work here in Guayabitos, Nayarit! If you are led to give towards this project, we have set up a special account with our mission board, Word for the World. Please label your offerings for this property “Mexico Church Plant Fund” with my name. And please join us in praising the Lord for all that he is doing!

Brothers and sisters keep up the good fight!
