Your missionaries to ¡México!

Hello All

I'm back from Mexico, and it was a very fruitful trip. I'll include all the details in our next prayer letter I send out. Right now I wanted to ask a special prayer request about the property for this month of November.

We have already paid off over half of the amount due for the property, praise God. We purposefully set up the contract to only pay half off because we need official deeds on the property so that we can privatize the property to protect the church before we pay the complete amount.

Without giving the whole story, the owner is supposed to get these deeds to the property through an entity of the people that control all the land in Mexico; but due to "law of the land" there is a lot of corruption to get through to get it. The owner has not been able to get it, and we owe the payment at the end of the month.

There is a spiritual war raging over this which is being felt by Angel and his family, as well as ours. I'm sure the Lord is going to get the victory because he wants this property and has given us a vision for it; but nonetheless we would love prayers on this matter through the next couple months please.

We appreciate y'all and everything you do for the Lord and our family and the work in Mexico! I'll send out an update on this as things start to unfold very soon.

Thank you for you fervent prayers and God bless
James 5:16b The effectual fervent prayer of a righteous man availeth much.
